

Nexus Intelligent Systems, Inc. Corporate Compliance Policy Framework

1. Purpose and Scope

1 This Corporate Compliance Policy Framework ("Framework") establishes the comprehensive compliance and ethical standards for Nexus Intelligent Systems, Inc. (the "Company") and its subsidiaries, effective immediately upon adoption by the Board of Directors.

2 The Framework applies to all employees, contractors, executives, and board members, regardless of position or tenure, and is designed to ensure:

- a) Consistent adherence to legal and regulatory requirements
- b) Maintenance of the highest ethical standards
- c) Protection of corporate integrity and stakeholder interests
- d) Proactive risk management across all operational domains

2. Regulatory Compliance Principles

1 Comprehensive Regulatory Alignment

- The Company commits to full compliance with applicable federal, state, and local regulations, including but not limited to:
 - i) Securities and Exchange Commission (SEC) regulations
 - ii) Data protection and privacy laws
 - iii) Employment and labor regulations
 - iv) Industry-specific technology and AI governance standards

2 Continuous Monitoring and Adaptation

- The Compliance Department shall:
 - a) Conduct quarterly regulatory landscape assessments
 - b) Update internal policies to reflect emerging legal requirements
 - c) Provide mandatory training on regulatory changes
 - d) Maintain a dynamic compliance tracking system

3. Ethical Standards and Conduct

1 Core Ethical Principles

- Integrity
- Transparency
- Accountability
- Respect
- Fairness

2 Prohibited Conduct

The following actions are strictly prohibited:

- a) Conflicts of interest
- b) Fraudulent financial reporting
- c) Unauthorized disclosure of confidential information
- d) Discrimination or harassment
- e) Bribery or improper financial inducements

4. Compliance Reporting and Investigation

1 Reporting Mechanisms

- Anonymous reporting hotline
